

## QT is easy to learn!

How can something so profound and powerful be learned in only a two-day workshop? Because you are born with this ability! We simply teach you how to use it.

**Program description:** Quantum-Touch is an interactive, energy based, heart centered modality. It teaches you to use breath work and body focusing techniques to raise your own energy level higher than the one receiving, so that the receiver entrains to the giver. These non-invasive techniques, **along with a light touch, assist the body in restoring balance and harmony, thus affecting one's physical, emotional, mental and spiritual well being.** It can be used on all individuals of all ages and states of health and illness, including animals and plants.

### Course Objectives

1. Describe what Quantum-Touch is, its history and its principles.
2. Apply the five different breathing patterns, to the Full Body Sweep technique.
3. Show the hand positions for assessing and running energy into the spine, hips and occipital ridge, in preparation for your first healing session.

4. Describe Intermediate & advance QT technique on basic energy patterns, and working it through the body.
5. Recognize the release of suppressed, oppressed or repressed emotions, from utilization of the QT techniques.
6. Describe unified resonance of allowing/manifestation, with distant, self healing and adding amplified resonance technique.
7. Discuss the Chakras 1-7, their colors, working with them and toning.
8. Demonstrate the principles of running energy into object, and the future of QT.

**Target audience:** Nurses, health care professionals, body therapists, psychotherapists or other licensed health care professionals and individuals who desire knowledge of healing work that uses energy-based concepts.

**YOU can learn to:** Accelerate healing of the Mind, Body, Spirit and Emotional well being.

## The Power to Heal

### At the Quantum-Touch Level I Live Workshop

**YOU can learn to:**

Accelerate healing  
of the Mind, Body, Spirit  
and Emotional well being.

*"Quantum-Touch is a significant breakthrough in hands-on-healing... most elegant and most efficient... For professionals and lay people alike, Quantum-Touch is an essential and invaluable tool."*

—ALTERNATIVE MEDICINE MAGAZINE

## What is Quantum-Touch®?

QUANTUM-TOUCH (QT) is an easy to learn method of hands-on healing that uses the scientific principles of resonance and entrainment – combined with very specific breathing techniques and simple body awareness exercises – to create a powerful, yet natural, field of healing energy.

There is no physical manipulation in QT. Only the lightest, most gentle touch is used.

While every individual responds at their own rate and in their own way, the wide range of results being achieved are truly exceptional, justifying the many endorsements received from a wide range of professions and healing modalities.

## What Professionals say about QT?

*"Quantum-Touch appears to be the first technique that may truly allow us all to become healers."*

—C. Norman Shealy, M.D., Ph.D.

*"Quantum-Touch is an easily learnable skill that can provide balance, healing, comfort, and postural realignment. I salute Richard Gordon's unique gift for making difficult concepts readily accessible, and for his commitment to bringing this work to the world."*

—David Kamnitzer, D.C.

*"Quantum-Touch is a remarkably effective and easily learned method of generating powerful healing energy."*

—Wm. Eidelman, M.D.

*"Wouldn't it be nice if everyone in the OR shared energy by way of Quantum-Touch? It could change how patients view a trip to the operating room from total dread to loving acceptance with much faster healing. Imagine being surrounded by all that love!"*

—George R. Webber, M.D.,  
Breast Surgeon, QT Practitioner

*"Quantum-Touch is a powerful hands-on healing technique that can be used effectively by lay people as well as professionals. I highly recommend it."*

—Patricia Warkus, M.D.

*"You actually have to see this work to know how good it is. Bones move into alignment with just a light touch, and it speeds up the healing process."*

—Darla Parr, D.C.

*"Quantum Touch has streamlined, simplified and taken my acupuncture practice to a higher level than I could have ever imagined! It empowers the practitioner to work smart, not hard; chi moves effortlessly, patients notice miraculous results in a very short time and I am energized at the end of the day. Having been in practice since 1985, this is the most powerful yet easy to learn modality I've ever learned."*

—Hether M. Churchill,  
O.M.D., C.A., N.D., L Ac.
